

RIDDLE SCAVENGER HUNT

26th Galway CUBS

These are a type of footwear
That sometimes go up to the knee
When reading Harry Potter
Giving Dobby one sets him free

This is a root vegetable
That can be red, white or green
It can make you cry a lot
Even though it is not mean

I am something that goes up
Although I am not a kite
I am held over your head
To help block rain or
sunlight

**This thing has a cover
But it is not a bed
It has many pages
And is something that's read**

I am something in your house
That can be found on a roll
Once you've wiped yourself with me
I get dropped into a bowl

**If you walk in to a living room
This might be on the settee
You can push different buttons
To control what's on TV**

This thing might taste of strawberries,
Or maybe apricot
It is a dessert made from milk
That you find in the fridge in a pot.

**You might sometimes see this colour
On the feathers of a parrot
It is the name of a fruit and
The same colour as a carrot**

**When they are incubated
You might get a chick inside
Otherwise they are eaten
Scrambled or boiled or fried**

If there's a film you love to watch
Over and over again,
Just pop this in the players slot,
Sit back and ignore the rain.

You've come this far, well done to you but the challenge is not yet run

There's one final thing to do before your work is done.
Use the first letter of each of your finds and unscramble them if you can

To work out a saying which all of you know, it's all part of the Cub plan!
